

Careers Bulletin

Information, Education and Guidance

September 2021

Dear Parents and Carers,

Welcome to the September bulletin. It was great to see over 50% of the year group attend our Careers Evening. I hope you all found it useful and informative. This month is the start of the Year 11 journey into post-16 education, whether your child goes to college or finds an apprenticeship scheme. We always advise all students to apply for a college course as well as an apprenticeship. Apprenticeships do not usually become available until March - April. Our website continues to provide links to colleges and other providers of training around apprenticeships. Please do utilise this resource.

There are numerous open events at all the colleges over October and November. Please make sure you know the dates and encourage your child to keep their options open.

This month during PSHE Year 11's will be focusing on college application forms by drafting a personal statement as well as looking at Apprenticeships and University in the future as an option. The Year 11's will continue to receive 1-1 careers advice from Ian Champney our careers advisor. All Year 11's will receive a session with Ian by March 2022.

--College information and updates--

The poster features the Southampton School crest in the top left corner. The main text is in large, bold, yellow and white letters. Below the text are three vertical panels: a pink panel with a smiling girl, a blue panel with two students walking, and a yellow panel with two students looking at a book.

OPEN EVENING
WEDNESDAY 29 SEPTEMBER
THURSDAY 25 NOVEMBER
6.00PM - 8.00PM

Monday, 11 October 2021

YOUTH EMPLOYMENT HUB

Find employment and secure your future

Eastleigh Borough Council, Test Valley Borough Council, New Forest District Council and Winchester City Council have joined together to launch a Youth Employment Hub to

connect, listen to and provide solutions for young people to find employment and help secure their futures.

Our Youth Employment Hub is designed to help young people in the surrounding areas with advice and guidance when thinking about their future career path and the opportunities that are available to them.

If you are looking for advice, support and help with training and employment, and are aged 16 - 24 years, the hub can signpost you to activity and resources that support young adults locally.

The four authorities will work together to help get young people into employment, each Council will host a helpline:

Eastleigh Borough Council (and Winchester)
Sharon Bartholomew
Helpline number: 07876 661525
YouthEmploymentHub@eastleigh.gov.uk
