

# Registering for SIMS

You should have received an email inviting you to join SIMS online services. If you haven't received this email, please contact the school so we can arrange for this to be sent to you.

1. Your invitation to SIMS will look like the email below. Click the 'accept invitation' button. If this doesn't work, copy and paste the link underneath it, into your browser.

You're invited to start using SIMS Online Services, an online portal providing access to a range of services including SIMS Admin, SIMS Engagement, SIMS Activities and SIMS Options.

Simply accept this invitation and register within 90 days.

3. Here you will need to select a pre-existing account from the icons listed. For example, if you have a facebook account, then click the facebook icon and sign in using your usual details.

4. This will also ask for your invitation code which you will be able to find on the invitation email sent to you at the beginning. Click Register once you've filled out the relevant details.

*(I've used Gmail for this example so yours may look slightly different)*
