

ENRICHMENT AT TESTWOOD

Counter-Terrorism Expert Visit, December 2022

On Monday 5th December we were fortunate enough to receive a visit from Andy Houghton, a former member of Hampshire Constabulary and an expert in counter-terrorism.

During his talks, Andy discussed how terrorism is punished and what steps we take to prevent terrorism in the UK. The talk tied in very well with topics that all the Key Stage 4 Ethics and Beliefs classes are currently studying (Human Rights, Extremism, Crime and Punishment, Good and Evil).

Some excellent questions were asked by our students at the end of the talks.

Andy also spoke to our Year 10 Higher Attaining Students, and special mention must go to Jack G who ended up seeing the talk twice!!
