

Testwood School

Year 6 Transition Bulletin

June 2023

Dear Parents and Carers,

Welcome again and I hope everyone is enjoying some of this sunshine!!

We are in the process of finalising your child's Tutor Group and your child's school will be informing them of which group they will be in as soon as possible.

Just a reminder that the **Year 6 Parents and Carers Induction Evening is on Thursday 22nd June** beginning at 6pm. Please could you go to the Main Hall, where you and your child will be able to sit in their Tutor Group. We would expect the evening to finish around 7pm, but we will be available should you have any questions or concerns afterwards.

During the evening, we will hear from Mr Webber (Headteacher), myself and meet with your child's tutor in their tutor base. We will share all the relevant information about the Transition Days in July as well as starting the new school year in September.

Don't forget to visit our website <https://www.testwoodschool.co.uk/year-6-transition/>

In the Home, School Life and Parents sections are really useful and you will be able to find information on equipment and school uniform expectations as well as the structure of the school day.
