

ENRICHMENT AT TESTWOOD

Sikh Education Visit April 2023

On Monday 17th April we were fortunate enough to welcome back Mr Harkirat Singh from the Sikh Education Service, who first visited us last year. Mr Singh came down from Northampton to talk to our Year 7 Ethics and Beliefs students about Sikh beliefs, as Year 7 were due to be completing a project about Sikhi later in the half term. (Included are some of the images of completed projects from Year 7 students).

As well as speaking to all of our Year 7 students, Mr Singh also spoke to our Year 9 and Year 10 GCSE Ethics and Beliefs students. As usual, our students acquitted themselves excellently and engaged very well with his talks.

Once again it was a great day and we hope to welcome Mr Singh back next year.
