

ENRICHMENT AT TESTWOOD

Sikh Education Visit April 2024

On Monday 15th April, we were fortunate enough to welcome Mr Harkirat Singh from the Sikh Education Service back to Testwood School.

Mr Singh came in to talk to our Year 7 students (plus some of our Year 10s) about what it is like to live as a Sikh. Mr Singh explained the 5 Ks of Sikhi and also brought in a musical instrument called a vaja.

Lots of interesting questions were asked by our students and it was a very interesting day.
