

Testwood Revision Templates

This is a pack of a variety of blank templates that you can use to support your revision.

You may prefer one revision style or may use different tools for different subjects.

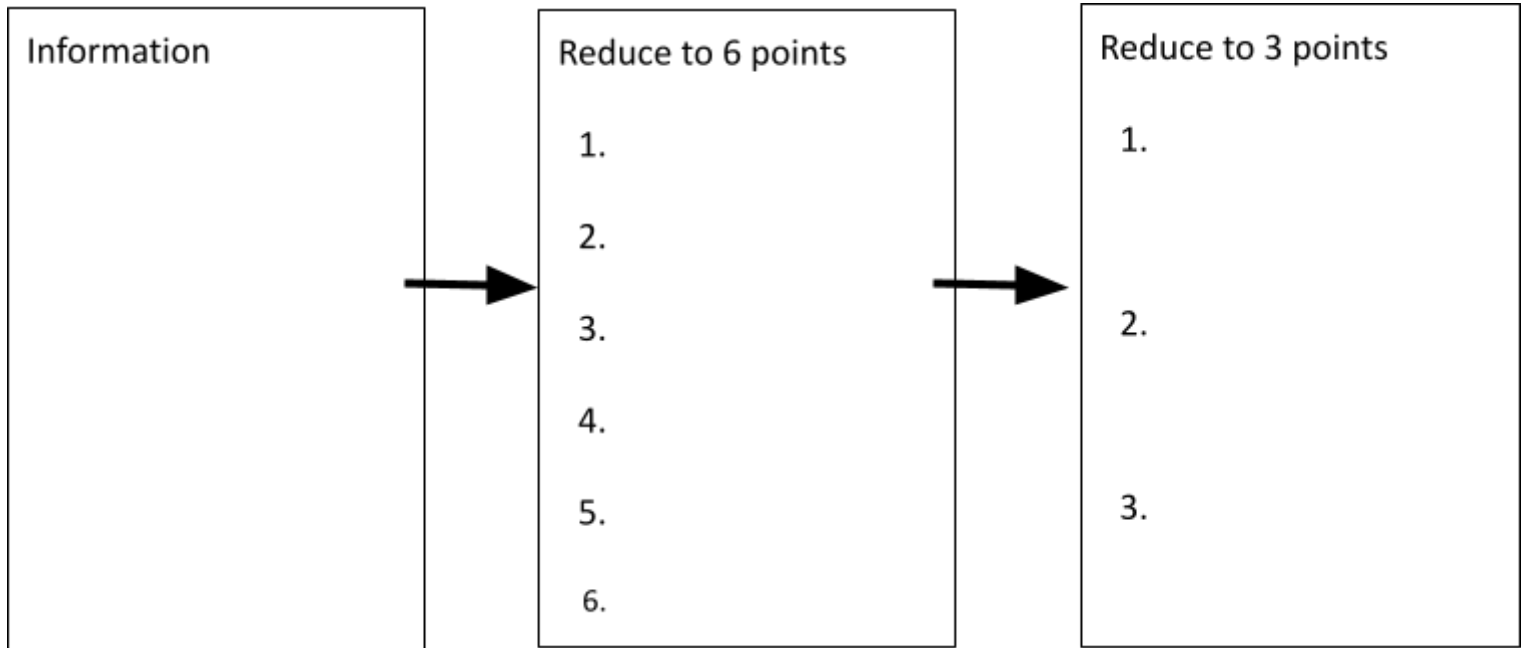

Using **past papers** is also an excellent revision strategy. Ask your teachers for help with this - they should have some that they can provide you.

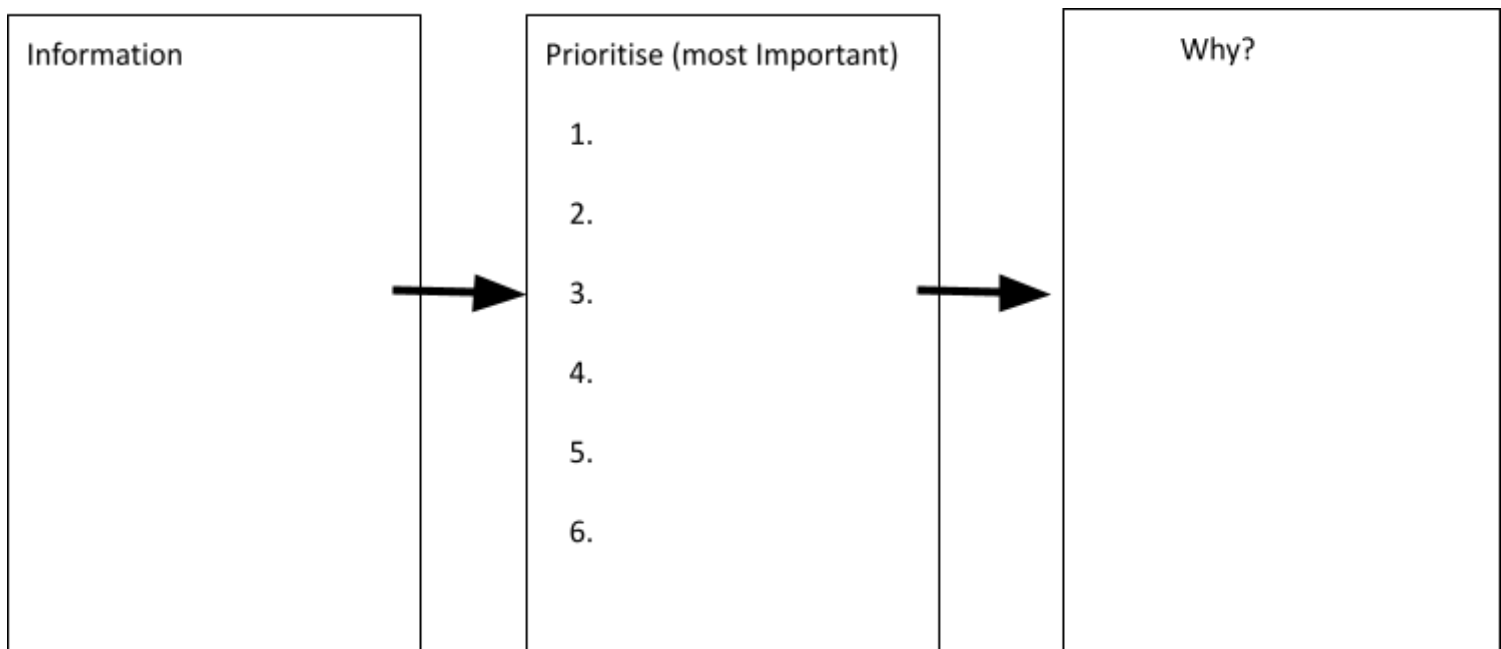

Reduce and Remember

Unit / Topic:

Step 1: Reduce the information on a topic

Step 2: Prioritise the information

Transform your knowledge

Step 1: Break down an image, source or information into key points and then identify the most important point.

Unit / Topic:

| Picture / Source / Information | Key Points |
|--------------------------------|--|
| | <ol style="list-style-type: none">1.2.3.4.5.6.7.8.9.10. |

Most Important Point and Why?

Significance and Importance

Unit / Topic:

Step 1 - Break the unit or topic into key information and then write notes around it to expand your understanding.

Key Dates / Facts / Words

Notes

Boxing Up Information

Unit / Topic:

Step 1: Read through topic / text

Step 2: Add what you have learnt into one of the three boxes below

Box 1: Something I did not know - but now do.

Box 2: Something I understand better.

Box 3: Something I knew already.

Flash Cards

Example

| | |
|----------------|-----------------------------|
| Science | <u>Unit / Topic / Title</u> |
| | Keywords / Definitions |
| | Image? |
| | Information? |
